## DISCLOSURE OF BUSINESS OR CAMPAIGN CONTRIBUTIONS TO COMMISSIONERS

Government Code Section 84308 requires that a Commissioner (regular or alternate) disqualify herself or himself and not participate in a proceeding involving an "entitlement for use" application if, within the last twelve months, the Commissioner has received **\$250 or more in business or campaign contributions from an applicant, an agent of an applicant, or any financially interested person who actively supports or opposes a decision on the matter.** A LAFCo decision approving a proposal (e.g., for an annexation) will often be an "entitlement for use" within the meaning of Section 84308. Sphere of Influence determinations are exempt under Government Code Section 84308.

If you are an applicant or an agent of an applicant on such a matter to be heard by the Commission and if you have made business or campaign contributions totaling \$250 or more to any Commissioner in the past twelve months, Section 84308(d) requires that you disclose that fact for the official record of the proceeding. The disclosure of any such contribution (including the amount of the contribution and the name of the recipient Commissioner) must be made either: 1) In writing and delivered to the Secretary of the Commission prior to the hearing on the matter, or 2) By oral declaration made at the time the hearing on the matter is opened. Contribution disclosure forms are available at the meeting for anyone who prefers to disclose contributions in writing.
